*One Hundred and Fourth Annual*

**COMMENCEMENT**

SATURDAY, MAY 29, 1965

## THE STAR-SPANGLED BANNER

Oh, say can you see by the dawn's early light

What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thru the perilous fight,

O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,

Gave proof through the night that our flag was still there.  
Oh, say does that star-spangled banner yet wave

O'er the land of the free and the home of the brave?

## A L M A     M A T E R

Where stately oaks and broad magnolias shade  
inspiring halls,

There stands our dear old Alma Mater who to us  
recalls

Fond memories that waken in our hearts a  
tender glow

And make us happy for the love that we have  
learned to know.

All praise to thee, our Alma Mater, moulder of  
mankind,

May greater glory, love unending, be forever  
thine.

Our worth in life will be thy worth, we pray to  
keep it true.

And may thy spirit live in us forever, L.S.U.
